Dear Potential Sponsor

I'm reaching out on behalf of the Organization for National Gang Information & Awareness (ONGIA) to invite you to partner with us as a sponsor of our 2025 Specialized Training Conference, which will be held in Kingston, Ontario, from November 17 to 20.

ONGIA is a national non-profit that brings together law enforcement professionals, educators, and community stakeholders across Canada to tackle gang-related violence. Our mission is to enhance public safety by increasing awareness, building networks, and delivering practical training focused on gangs, gun violence, organized crime, and human trafficking. Our vision is a safer Canada, where communities are better equipped to prevent violence and intervene effectively.

This year's conference in Kingston will feature discussions by thought leaders and experts on significant topics such as firearm trafficking, gang dynamics, digital threats, and community prevention strategies. The event serves as a national platform for frontline professionals in public safety, education, and the justice community. Supporting this initiative will contribute to enhancing their ability to protect and improve communities like Kingston and others across Canada.

As a sponsor, your organization will receive:

- High-impact **brand exposure** across all 2025 ONGIA events and digital brochures
- **Speaking opportunities** at the national conference (Diamond and Platinum levels)
- **Advertisement placements**, delegate bag inserts, booth space, and logo placement
- Ongoing **social media and website recognition** through 2025
- Direct partnership in efforts to **reduce gang and gun violence** in Canadian communities

Explore our sponsorship tiers ranging from **$1,500 to $5,000**, designed to meet various goals and budgets. Review the benefits at each tier and understand how they can enhance your brand visibility.
